GENERAL INFORMATION:

Youth Deer Season. Resident first time deer gun hunters ages 14 (on opening day) and 15 who have never received a deer gun license are eligible to apply for a **once-in-a-lifetime** license valid for the youth deer season to be held prior to the regular deer gun season. If the licensee is unsuccessful in harvesting a deer during the youth deer season, the license will also be valid during the regular deer gun season. Anyone applying for these licenses may not apply for a regular deer gun season license; however, they may apply for additional concurrent season antlerless licenses provided the director proclaims additional concurrent deer seasons.

All regulations in effect for the regular deer gun season will apply during the youth deer season.

Each youth licensee must be accompanied by at least one unarmed parent, guardian, or adult authorized by their parent or guardian. No licensee hunting in the field during the youth deer season may be accompanied by a nonlicensee carrying a firearm or bow and arrow. A nonlicensee is a person not having a youth deer season license.

Arrowwood, Chase Lake, Des Lacs, J. Clark Salyer, Long Lake, Lostwood, Lake Alice, Sibley Lake, Slade, Tewaukon, Lake Nettie, Lake Zahl, and Upper Souris National Wildlife Refuges are open to the youth deer season. Youth hunters are required to contact refuge headquarters prior to hunting, for permission and information concerning access, areas closed for safety, or other conditions.

SOCIAL SECURITY NUMBER REQUIREMENT. In accordance with state law NDCC 20.1-03-35 and 42 US Code 666 (a) (13) and (16), the Department is required to collect social security numbers from all persons obtaining hunting, fishing, or other recreational type licenses. Your social security number serves as your principal identification number to determine license eligibility. It is kept confidential, however it may be provided to law enforcement agencies and the State Disbursement Unit to enforce child support obligations.
